About This Content

The beautiful Soundtrack composed by Dan Bewick (an experienced composer who also composed the soundtrack for Warhammer 40,000: Armageddon and many other games) is a testament to the ragged battlefields of the Warhammer 40,000 universe and the mighty armies waging eternal war...

Listen to 13 beautiful tracks, inspired by the glory of the Space Marines, the might of the Astra Militarum, the brutality of the Orks and the esoterism of the Necrons.
